

FAWEN

READY-TO-DRINK SOUP

Dear Store Manager,

I would like to request that you carry FAWEN Ready-To-Drink Soup, an amazing new beverage for health enthusiasts like myself! FAWEN has three delicious flavors packed with organic whole vegetables and superfoods, and is much lower in sugar than juices and smoothies. All flavors are certified Organic, Kosher, Gluten-Free, Vegan, and Non-GMO Verified, and are conveniently packaged in eco-friendly cartons that I love to drink on the go! I frequently shop at your store and it would be great to purchase FAWEN here. Please contact sales@drinkfawen.com or 1-888-737-7052 for more information. Thank you!
